Registration: Register Online with TEEX: [TEEX Student Portal](#)

Prerequisites: There is a pre-course assignment that should take about one hour to complete.

https://nfa.usfa.fema.gov/ax/pcm/pcm_f0635.pdf

https://nfa.usfa.fema.gov/ax/syll/syllabus_f0635.pdf

Audience: All members of Volunteer, paid, or part-paid departments of cities and Industries who want the latest training in firefighting and related skills including:

- Fire and emergency services personnel who help develop and deliver fire prevention and community risk-reduction programs.
- Fire and emergency services staff with an interest in advancing risk-reduction efforts in their community.
- Allied health and community service personnel who help develop and deliver risk-reduction programs.

Classes are subject to change/cancellation without notice

This two-day course demonstrates to students nationally recognized principles that, when used appropriately, can lead to community risk-reduction programs that can measure success in local communities. This course will give students the opportunity to explore programs from communities across the United States that have been showcased at Vision 20/20 symposiums. These programs demonstrate what nationally recognized organizations identify as examples of “best practices” in community risk reduction.

At the end of the course, students will be evaluated through a 25-question multiple-choice examination. A final grade will be provided to each student. The minimum score needed to pass is 70

Pre-Registration to: Register Online with TEEX: [TEEX Student Portal](#)

TEEX Representative: Kenneth King, 903-818-1823, ken.king@teex.tamu.edu

NFA Classes: You must have a Student Identification (SID) number. Please bring your SID to class.

- Register at <https://cdp.dhs.gov/femasid>
- Save this number in a secure location
- Use SID in place of SSN on FEMA Form 119-25-1 & Form 119-25-2, (2/12)
